Notice

This is to inform all the students of BA. 2nd, 4th and 6th Semesters (Hons & Program) that the lists for the ABC Ids are available in the college Notice Board. However, ABC Ids for some students are not being generated for the mismatch of their Adhar details and for some students due to the technical issue of the website for generating such Ids. Hence, those students whose Ids are not being generated are requested to create their ABC Ids on their own following the proper guidelines.
